

BULK OEM

GCC BIOTECH (INDIA) PVT.LTD.

WE ARE THE FUTURE OF GROWTH!!

➤ OEM & BULK REAGENTS

GCC BELIEVES THAT EVERY OEM AND CUSTOM SUPPLY COMPANION HAS UNIQUE NEEDS. TO SUPPORT YOU FROM DISCOVERY TO COMMERCIALIZATION, GCC IS ONE STEP AHEAD

➤ STRONG PRODUCT RANGE

THERMO-STABLE POLYMERASE, GLYCEROL-FREE ENZYMES, CUSTOM PRODUCT CONFIGURATIONS

➤ RELIABLE MANUFACTURING CAPABILITIES

ISO 9001: 2008, STATE-OF-THE-ART FACILITIES, COMPREHENSIVE QC SYSTEM

➤ SKILLED TECHNICAL & CUSTOMER SUPPORT

CONTINUOUS ASSAY & WORKFLOW IMPROVEMENTS

Description

Life science research needs are not one-size-fits-all; neither are our products. Our Custom and Bulk reagents provide the flexibility to take an existing catalog product and modify formulation, packaging, dispensing, or documented quality assurance specifications and testing, or to provide solutions at large volume.

Custom Reagents Stands for

- › Custom product preparation to meet your terms
- › Lyophilization
- › Custom vialing/dispensing, packaging, or labeling
- › Custom quality control qualifications to meet your assay QC and certification needs

Bulk Product Supply Stands for

- › Single lot sourcing
- › Volume pricing for high-throughput studies
- › Modified packaging to put up automated workflows
- › Supply of critical reagent in bulk when used at high frequency

Following are few reagents which we are supplying in Bulk packages

- › Fastract Direct PCR Kit
- › G9 Taq DNA Polymerase
- › Hi- G9 Taq DNA polymerase
- › SARP Stain Protein Dye
- › RNA Later
- › ECL Reagents
- › Bulk Oligo
- › DNA Step Ladder
- › Super Stain Nucleic Acid Gel Stain
- › GSure DNA Isolation Kit
- › GSure Ultra Nucleic Acid Isolation Kit
- › GLyse Protein Extraction Reagents

PCR

GBC101	G9 Taq polymerase	100000U	1,00,000
GBC102	G9 Taq polymerase	100000U X 5	4,00,000
GBC103	G9 Taq polymerase	100000U X 20	POR
GBC104	M-MLV Reverse Transcriptase, Rnase H minus	50000U X 10	1,20,000
GBC105	M-MLV Reverse Transcriptase, Rnase H minus	50000U X 50	POR

qPCR

GBQ101	2X Fluoro green H-eff qPCR master mix, Rox, 5ml	1.25ml X 4	16,780
GBQ102	2X Fluoro green H-eff qPCR master mix, Rox, 10ml	1.25ml X 8	25,670
GBQ103	2X Fluoro green H-eff qPCR master mix, Rox, 25ml	5ml X 5	55,670
GBQ104	2X Fluoro green H-eff qPCR master mix, Rox, 50ml	10ml X 5	94,650
GBQ105	2X Fluoro green H-eff qPCR master mix, Rox, 100ml	10ml X 10	POR

Buffer

GS1001	GPure TBE Buffer, 10X	1L X 10	17,340
GS1002	GPure TBE Buffer, 10X	1L X 20	32,450
GS1003	GPure TBE Buffer, 1X	1L X 20	20,300
GS1004	GPure TAE Buffer, 10X	1L X 10	19,870
GS1005	GPure TAE Buffer, 25X	1L X 5	21,560
GS1006	GPure TAE Buffer, 40X	1L X 5	32,460
GS1007	GPure TAE Buffer, 1X	1L X 20	21,340
GS1008	GPure Nuclease Free Water	1L X 10	16,300
GS1009	GPure Nuclease Free Water	1L X 20	30,100
GS1010	GPure DEPC treated water	1L X 10	22,300
GS1011	GPure DEPC treated water	1L X 20	36,780
GS1012	GPure Tris-Glycine-SDS PAGE running buffer, 10X	1L X 10	20,120
GS1013	GPure Tris-Glycine-SDS PAGE running buffer, 10X	1L X 20	37,890
GS1014	GPure Tris-Glycine-SDS PAGE running buffer, 1X	1L X 10	11,230
GS1015	GPure Tris-Glycine-SDS PAGE running buffer, 1X	1L X 20	21,230

Our devoted manufacturing, packaging, QCA, and business development specialists stand ready to assist. Find out how our technologies and logistics can ensure your success: submit an online inquiry today.
